## Grooming

Whether you are an old hand or paw at grooming or a complete novice Give a dog a comb offers you and your dog a loving, kind and professional grooming service.

Give a dog a comb full groom consists of:

### 🕒 Consultation

Upon arrival we will discuss and record your dog's requirements. Dogs can have anything from a tidy up to a full make over and a suitable style will be discussed.

### 🕒 Pre Bath Groom

Before bathing your dog will be groomed thoroughly which will include removing any mats and knots. Extra grooming at this stage may incur additional costs.\*

### 🕒 Bathing

Your dog will then be bathed with a shampoo to suit its coat and skin type and conditioner is applied where necessary. These shampoos will leave your dog clean and its coat feeling fabulous. Your dog is then dried with a suitable dryer to be prepared for grooming.

### 🕒 Clipping and Scissoring

Your dog will then be clipped or cut to the style as discussed in the consultation.

🕒 **Ear cleaning and nail cutting** is also included in the full groom if required.

### 🕒 Perfume To Finish

Leaving your dog smelling fantastic!

\* For every extra fifteen minutes over the allocated time a badly matted coat takes to groom costs an additional £5. All knots and tangles are removed before bathing.

## Why Groom Your Dog

Regular grooming is an important part of the canine welfare. All dogs need regular grooming:

- 🕒 To remove dead hair, dirt and parasites
- 🕒 Assists with fighting diseases especially ear diseases and fleas
- 🕒 Ears are cleaned and long hair removed which in some breeds is crucial to prevent ear diseases
- 🕒 Monitoring of any irregularities with skin conditions, lumps or infections
- 🕒 Nails are cut so they do not become a problem growing around & into the pad, especially dew claws
- 🕒 Hair is removed from the pads of the paws which is crucial to allow the dog to sweat
- 🕒 The dog is styled to suit its breed and requirements
- 🕒 Leaving a dog for short assisted periods of time can help with anxiety separation issues
- 🕒 The dog broadens its experiences and confidence
- 🕒 A clean well groomed dog is a happy one

Bath, dry and pawdicure available or adapt the groom to meet your dog's needs.
